REPORT OF INDEPENDENT AUDITORS  
ON THE FINANCIAL STATEMENTS

January 23, 2006

To the Board of Directors  
Health Care Center for the Homeless, Inc.  
Orlando, Florida

We have audited the accompanying statement of financial position of the Health Care Center for the Homeless, Inc. (the Center) as of September 30, 2005, and the related statements of activities, cash flows, and functional expenses for the year then ended. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Center's September 30, 2004 financial statements and, in our report dated December 27, 2004, we stated that in our opinion, such financial statements presented fairly, in all material respects, the financial position, changes in net assets, and cash flows of the Center in conformity with accounting principles generally accepted in the United States of America.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Health Care Center for the Homeless, Inc. as of September 30, 2005, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.
In accordance with Government Auditing Standards, we have also issued a report dated January 23, 2006, on our consideration of the Center's internal control over financial reporting, and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Note 1. Summary of Significant Accounting Policies

Organization:

Health Care Center for the Homeless, Inc. (the Center) provides quality health care services that improve the lives of the homeless and indigent. Support for providing these services is obtained from both government grants and private sector contributions. The Center serves clients in the Central Florida area.

Use of estimates:

In preparing the financial statements, management is required to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Basis of presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Center and/or the passage of time. When a restriction is satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Center.
HEALTH CARE CENTER FOR THE HOMELESS, INC.

NOTES TO FINANCIAL STATEMENTS
Year Ended September 30, 2005

Note 1. Summary of Significant Accounting Policies - (Continued)

Contributions:

Contributions, including unconditional promises to give, are recorded as made. All contributions are reported as an increase in unrestricted net assets unless specifically restricted by the donor. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction is satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due within one year are recorded at their net realizable value. Unconditional promises to give due after one year are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

Economic dependency:

The Center received a substantial portion of its support from less than 10 funding sources. A significant reduction in the level of this support may have an effect on the Center’s programs and activities.

In-kind contributions:

In-kind contributions of materials used in programs are recorded as income and expense at the estimated fair value of the materials.

A substantial number of volunteers have contributed significant amounts of their time to the Center's programs and management. Contributions of services are recorded if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Cash:

Cash in excess of federally insured limits represents a concentration of credit risk as defined by accounting principles generally accepted in the United States of America. In management’s opinion, the capitalization and operating history of the institution is such that the likelihood of material loss is remote.

Note 1. Summary of Significant Accounting Policies - (Continued)

Accounts receivable and grants and contributions receivable:

Accounts receivable and grants and contributions receivable are stated at net realizable value. In determining whether or not to recognize an allowance for doubtful accounts, management makes a judgmental determination based on an evaluation of the facts and circumstances related to each account.

Property and equipment:

Property and equipment is recorded at cost. Depreciation is calculated by the straight-line method over estimated useful lives of 3 to 20 years. Contributed assets are recorded at their estimated fair value at the date of contribution. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Repairs and maintenance are expensed as incurred.

Advertising:

Advertising costs are expensed as incurred.

Income taxes:

The Center is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

Comparative information for 2004:

The financial information for the year ended September 30, 2004 is presented for comparative purposes, and is not intended to be a complete financial statement presentation.

REPORT OF INDEPENDENT AUDITORS  
ON THE SUPPLEMENTARY DATA

January 23, 2006

To the Board of Directors  
Health Care Center for the Homeless, Inc.  
Orlando, Florida

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary data on page 15 is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

January 23, 2006

Board of Directors
Health Care Center for the Homeless, Inc.
Orlando, Florida

We have audited the financial statements of the Health Care Center for
the Homeless, Inc. (the Center) as of and for the year ended September 30,
2005, and have issued our report thereon dated January 23, 2006. We
conducted our audit in accordance with auditing standards generally
accepted in the United States of America and the standards applicable to
financial audits contained in Government Auditing Standards issued by the
Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Center's
internal control over financial reporting in order to determine our
auditing procedures for the purpose of expressing our opinion on the
financial statements and not to provide an opinion on the internal control
over financial reporting.

Our consideration of the internal control over financial reporting
would not necessarily disclose all matters in the internal control that
might be material weaknesses. A material weakness is a reportable
condition in which the design or operation of one or more of the internal
control components does not reduce to a relatively low level the risk that
misstatements caused by error or fraud in amounts that would be material in
relation to the financial statements being audited may occur and not be
detected within a timely period by employees in the normal course of
performing their assigned functions. We noted no matters involving the
internal control over financial reporting and its operation that we
consider to be material weaknesses.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the board of directors, management and federal awarding agencies, and is not intended to be, and should not be used by anyone other than these specified parties.

Compliance

We have audited the compliance of the Health Care Center for the Homeless, Inc. (the Center) with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended September 30, 2005. The Center’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Center’s management. Our responsibility is to express an opinion on the Center’s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Center’s compliance with those requirements.

In our opinion, the Center complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended September 30, 2005.
Internal Control Over Compliance

The management of the Center is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Center’s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the board of directors, management and federal awarding agencies, and is not intended to be, and should not be used by anyone other than these specified parties.
